VESIT

Project manager	Sahil Lotya
Project dates	23-Feb-2021 - 22-Apr-2021
Completion	0%
Tasks	8
Resources	4

  The "E-learning Management System" has been developed to override the problems prevailing in the practicing manual system. This software is supported to eliminate and in some cases reduce the hardships faced by this existing system. Moreover, this system is designed for the particular need of the company to carry out operations in a smooth and effective manner.
